

Year 1's home learning this half term is based around plants and growth. Here are some challenges which you can complete over the next half term.

Art Challenge:

Look at Vincent Van Gogh's sunflowers, can you draw or paint in the style of his work?

Plant detective:

Make a list of all the flowers you know.

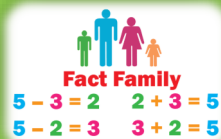

Designer Challenge:

Design a poster on how to look after a plant. Giving advice on how to keep it healthy.

Maths

How many different ways can you make the number 20? Can you write all the number family facts for each?

Practise counting in 2's, 5's and 10's.

Phonics

Practice your weekly Little Wandle Phonics home learning sheets. Can you find any of the diagraphs or triagraphs in your home reading books?

Science Challenge:

Go on a walk and collect five different leaves. Can you identify the trees that they have fallen from?

Practise your weekly spellings and phonics sounds.

Read a book everyday for pleasure!

Practise your number bonds to 10 and 20 and then write all the fact families for each.
