

Year 6 home learning this half term is based around enterprise and invention. Here are the challenges for your child to complete.

**Art Challenge:**

Design a poster for our play.

**Mathematician Challenge:**

Make a bar chart showing the customer feedback of our project.

**D&T Challenge:**

Using an adults help, design and make your own prop for our play.

**P.E. Challenge**

Learn the rules of rounders.

**Literacy challenge:**

Learn your lines.

Practise your  
**spellings** weekly.

Read every night for a  
minimum of 10 minutes.

Practise multiplication and  
division facts.
