

Reception Home Learning Challenges

In your outdoor environment, can you create observational drawings? What Season are we transitioning into?

Design your own minibeast and label it!

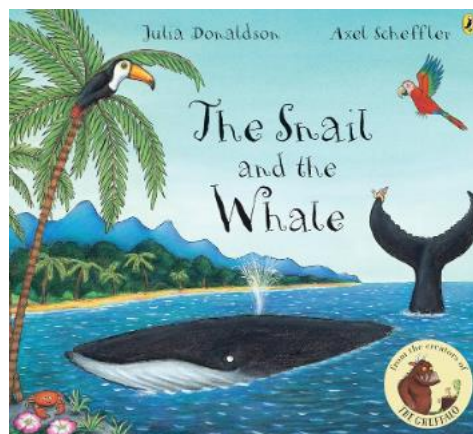

Can you recall our number bonds to 10? Can you use a white board/paper at home to create your number sentences?

Can you bake your own minibeast cakes? Have a go at weighing the ingredients. Which ingredient is the heaviest? Which ingredient is the lightest?

Can you write a list of words that rhyme with snail?

Play "Tricky Word Splat" with your grown up. Ask your grown up to write each tricky words on a piece of paper then spread them out on a surface. Each time the adult says a tricky word, you need to "splat" the word in front of you. See how many you can get right!

Tricky words!
