

Woodhouse West Learning at home

Learning at home is just as important as learning at school so here are some pointers to help you to be really successful.

You have had an email which contains your child's google email/username and password.

e.g.

Username/email: (child's name) @woodhousewest.sheffield.sch.uk

Password: banana5000

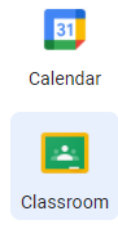

Please **do not** change this password.

Use these details to login to your Google classroom, where your friends and Teacher/Teaching Assistant will be waiting for you.

If you have never logged into Google classroom before you will need to join your class. In order to do this, click on the 9 dots in the right hand corner of your screen

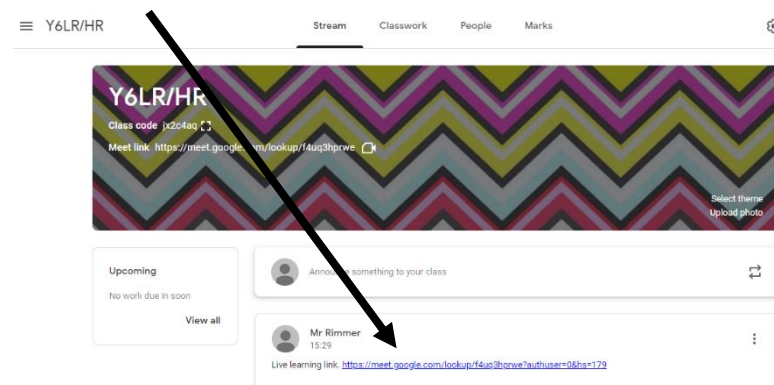

and click on the classroom option.

Enter the code for your child's class.

A register will be taken at the start of every day. In order to be marked present, you need to click on the live link on the first screen that appears when you login. It looks like this.

In order to be ready for learning it is important that your child has a quiet space where they can concentrate on the lesson that the teacher is leading.

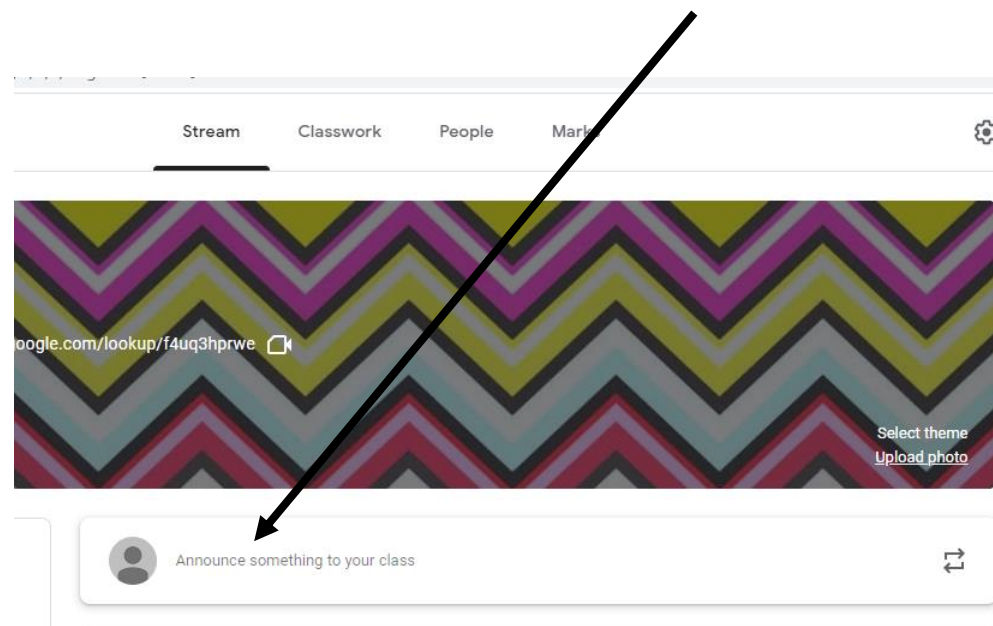

A pair of headphones would be a good idea!

Please make sure your child is dressed and has eaten breakfast before they start their home learning – just like they would for any normal school day.

Being ready to learn means logging on in good time. A few minutes before the start of the session is best.

If you have questions about the learning, you can ask the Teacher or Teaching Assistant for help, using the chat facility on the stream page. It looks like this.

If you are struggling to follow these instructions then Mr Rimmer has made a handy video to talk you through it.

The link can be found on our website under:

Children – Learning at home – Google classroom support

We are very excited about being able to teach you in a new and very different way but we are learning too so please be patient if there are a few teething issues in the first week or so.

Have a wonderful time and we hope that we can welcome you all back into school as soon as the half term is over.

A Bailey
Headteacher
