

Reception Home Learning Challenges

Learn your address and practice what you would say if you were in an emergency and had to ring 999.

Draw a picture of someone who has helped you in the last few weeks. Write a short sentence to describe what they did.

Create your own emergency vehicle. Think about its features - sirens, hosepipes. You could make your own vehicles out of old boxes and recycled materials.

Roll a dice with your adult. What number does it land on? Is it odd or even? Keep a tally to see who rolls the most even numbers.

Let's talk about our 5 senses. Go on a walk around your local area. What can you see, feel, hear, smell and taste?

Create a thank you card to send to someone who has helped you. You could draw, paint or use collage to make your picture. Remember to use your best writing inside to say 'thank you' and to write your name.
