

Year 1's home learning this half term is all about 'Pioneers.'
Here are some challenges which you can complete over the next half term.

Phonics

When out walking or in the car, can you be phonics and spelling spotters and find as many diagraphs and tricky words as possible written on signs?

Maths

When you are out and about, can you be a number spotter and read the numbers on car number plates and on signs? Can you use pasta shapes, conkers, leaves or twigs to make the part-whole model to practise your adding to ten and beyond?

Counting Challenge:

Practise counting in 2's, 5's and 10's.
Can you count forwards and backwards to 50?

Science

This term we are going to be weather reporters. Over the half term can you start to notice the seasonal changes that are happening around you? Can you feel a difference in temperature? How cold does it feel? Is it colder today than yesterday? How sunny is it each day? How many days does it rain in a week? Keep a weather diary and start to notice the changes happening around you as the weeks go on.

History

As historians, this half term, we are going to be travelling back in time to find out all about two iconic ladies; Mary Seacole and Florence Nightingale. Using a computer device or maybe taking a visit to the local the library? Can you research any information about this two significant individuals at home. Write down as many interesting facts as possible and bring them in.

Practise your weekly spellings and phonics sounds.

Read a book everyday!

Practise counting and adding numbers to 10 and beyond.
