

Year 2 home learning this half term is based around knowing the local area, growing food and creating healthy meals.
Here are the challenges for you to complete.

Builder Challenge:

Create a hedgehog house or bird feeder, take pictures and write some instructions to show how you made it.

Fact Challenge:

Research and create a fact file about Woodhouse village or Shirebrook Valley.

Hunt Challenge:

Can you identify and make a list of human and physical features in your garden and local area.

Poster Challenge:

Create a poster all about your favourite woodland or farm animal.

Maker Challenge:

Create/follow/make a healthy recipe to enjoy at home with your family. Take photos and write about why it is healthy.

Practise writing your alphabet with upper and lower case letters.

Read often with an adult.
Complete your home reading diary and bring it in to share!

Practise your 2,3,5 & 10 times tables. Login in to Times Table Rock Stars to help!
