

A world map showing the continents of North America, South America, Europe, Africa, Asia, and Oceania. The map is centered on the Atlantic Ocean. The text is overlaid on the map.

Year 3 home learning this half term is based on natural disasters. In science, we will be learning about light, reflection and how transparent, translucent and opaque objects affect light. We will also focus on water colour painting, with the skills of different brush strokes and making shades of colours. In literacy, children will become illustrators for the book “Iron Man” by Ted Hughes.

Topic Challenge:

Make a biome in a box. [Here is an example of how.](#)

Mathematician Challenge:

Practice addition and subtraction, using the column method.

Art Challenge:

Make your own illustration for a character from “Iron Man” by Ted Hughes. Use water colour.

Science Challenge:

Make your own [sundial](#).

Writer challenge:

Read a book / watch a film and make a list of you favourite comical phrases/puns that you can adapt for your writing.

Practise your **spellings** weekly.

Read every night for a minimum of 10 minutes.

Practise times tables facts.
