

Over the next half term, Year 5 home learning is about Space and biomes. To promote taking responsibility for your own learning as you get older, this homework is designed to give a greater choice and to allow you to complete work that interests you personally. We have given a list of suggested tasks associated with Space and biomes.

Draw or paint a picture of something space related

Research a biome of your choice including terrain, climate, vegetation

Write a story about an alien landing in Woodhouse.

Create a 3D model of the solar system

Research Neil Armstrong.
Write 3 facts.

Design your own alien and write a character description

Imagine you are an astronaut. Write a letter home to your family about your travels in space.

Write a story about an alien landing in Woodhouse West

Read a non-fiction book about space and write a review
