

Nursery Home Learning- Spring 2

Theme: How does Your Garden Grow?

Make A Model Flower

Try making a model of a flower. You could use modelling dough, paper or card, construction toys, empty cardboard tubes and boxes or plastic tubs and pots. Think about how you could make the stem, the flower and the leaves.

Spring Walk

Go on a Spring walk with a grown-up and look around to see the things that have changed since the Winter.

Read the story 'LuLu loves flowers'

Can you draw a picture of your favourite flower?

Plant a seed

Try growing some plants or flowers at home. You could try planting some seeds in a pot or in your garden. Remember to give your seeds some water and put them somewhere sunny. Cress seeds grow quite quickly or you could try planting some flowers.

Seed Packets

Have a look at seed packets at a garden centre or supermarket. What different types of seeds can you find? Can you see what the seeds will grow into?

Read your favourite story

Read your favourite story with your grown up. Can you talk about key events- the characters, what happens.

Don't forget to send me photos of all your exciting learning so that we can display and share your experiences with the class.
