

Nursery Home Learning- Summer

Theme: Oh I do like to be beside the seaside

Draw

Draw some things you would need to take to the beach.

Shadows

When you are playing outside, look at your shadow. Is it as big as you or smaller? Is it always the same size? Does it always follow you or does it sometimes move in front of you?

Game

Think of something you might do at the beach. Can you act it out for your family to guess what you are doing? Think about how you could move your body to show them. You could dig in the sand, splash or swim in the sea or eat an ice cream!

Ice cream

When people visit the beach, they sometimes have an ice cream or an ice lolly. What is your favourite ice cream or lolly? What does it taste like? Can you describe it to an adult? You could enjoy tasting your favourite ice cream or lolly and then tell them all about it.

Boats

Can you make a boat from some empty containers you have at home? Check if it will float. (You could even make 2 boats and they could have a race across the bath!)

Read your favourite story

Read your favourite story with your grown up. Can you tell your grown up about your favourite character?

Don't forget to send me photos of all your exciting learning so that we can display and share your experiences with the class.
