

We will be learning all about Grace Darling and her historical significance in life saving at sea. We will also be making and designing our very own hand puppet.

DT Challenge

Can you create a finger puppet(s) from your favourite traditional tales? E.g Three Little Pigs, Little Red Riding Hood, Jack and the Beanstalk.

Maybe you could retell the story using your finger puppets!

Phonics

Can you find any of the digraphs or trigraphs in your home reading books? Why not take home one of your teachers recommended reads and share it at home. Miss Hay loves Meerkat Male!

Maths

Can you name the value of every GB coin and note? Can you practise buying something from the shop using coins instead of a card? Which coins have the highest value?

History

Ask a parent or grandparent to tell you about their trips to the seaside as children. Where did they go? What did they do? Ask them to write a list of all the things they remember from their childhood.

If you can bring in some old photographs too we would love to see them!

Practise your weekly spellings and phonics sounds.

Read a book everyday for pleasure!

Practise your 2x 5x and 10x tables.
