Enquiry Question

What's in my local area?

Substantive Knowledge (key facts)

- Woodhouse is an area in the city of Sheffield.
- Near my school there are roads, shops, houses, and a nature reserve.
- The four points of a compass are North, South, East and West
- Human features: A feature that has been made by humans such as houses, harbours, factories etc.

Prior experiences or knowledge learnt

- I can describe what I see, hear and feel whilst outside.
- I can draw information from a simple map.
- I can recognise some similarities and differences between life in this country and life in other countries.

Concept

Geography skills I am practising

- I can follow directions; up/down, left/right, behind/left, in front of.
- Use simple fieldwork and observational skills to study the geography of their school and its grounds surrounding in the local area to devise a simple map; maps of school playgrounds or local area.
- Use aerial photographs

Sequence of learning

1)	Where is my school?
2)	Where is my local area and what can I see in my local area?
3)	What human and physical features are in my local area?
4)	Local visit to Shirebrook Nature Reserve
5)	What is a compass, what are they used for and what are the compass points?
