

Woodhouse Wonders

SCAN ME

Keep up to date with all our events by joining our facebook group.

We had a great term with our first two events. The **FREE** event at Playmania was a huge success and it was great to see some new and familiar faces. Our successful cookie stall at the Woodhouse West Christmas Fayre raised us a fantastic £70. We also raised £30 from our non-uniform sale. Another one will be held towards the end of the school year but if you do require some uniform get in touch as we still have lots of donations remaining.

We have been lucky enough to secure a community grant worth £750 from Woodhouse and District Community Forum. So, alongside our fundraising form the non-uniform sale and Christmas Fayre, we've been able to buy some exciting playground equipment for breaktimes and lunchtime. The School Council had the final say in which items were purchased for Foundation Stage, KS1 and KS2. These should be delivered shortly and ready for use next half term.

You can help or support on as many or as little events as you like.

If you run or know of any local businesses that could support at any of these events or donate prizes, please get in touch.

Thank you to **Playmania** and **Computer Xplorers** for supporting us with last terms events.
